

International Women's Day 2023

Posted 08.03.2023

We support the campaign #EmbraceEquity.

Because we believe in creating an equal and inclusive workplace, which is why we are working every day to integrate gender equity into our firm's interactions.

Therefore, we offer various in-house training courses, in cooperation with IMS Luxembourg.

63% of our members are women and we carefully monitor our career development with a view to actively reducing the gender gap and any other inequalities.
