

Real estate & construction

Real estate is a key element in the business strategy of any company, whether from the point of view of the investor, developer, constructor or occupier.

Our legal experts provide global and integrated advice on Luxembourg real estate investment, funding, financing, development and construction projects. Clients appreciate our ability to deal with complex situations with a common sense approach, our legal expertise, and our support from day one until the very last step.

Our clients

Our clients include local and international developers, construction companies, private and public real estate investors and owners, corporate tenants and landowners, banks and real estate funds.

Our services

The full-service approach of our firm allows us to cover all areas relevant to our clients, including:

- Real estate
- Urban zoning
- Financing
- Public procurement
- Environment
- Energy & infrastructure
- Corporate
- Litigation
- Tax

What others say about us

The firm displays a very collaborative approach to work in the space.

Legal 500 2023

Real Estate and Construction Luxembourg

Elvinger Hoss Prussen has a very good practice.

Chambers Europe 2023

Real Estate Luxembourg

The team works quickly to find a solution, and if none is existing, they create it. They have a deep knowledge of both the theoretical side (laws and regulations, literature...) and the practical side (best practices...) of real estate.
