

Club Talk - ESG: all you need to know about the new regulation

Our firm sponsored the Paperjam and Delano Club Talk – “ESG: all you need to know about the new regulation” on 4 May. Partner Gast Juncker introduced the subject ahead of the panel discussion.

Environmental, social and corporate governance (ESG) related issues have become a focus for all financial market participants. Following the passing of the 10 March deadline for the implementation of level 1 of the Sustainable Finance Disclosure Regulation (SFDR), the webinar reflected on how the industry had responded to the challenge. The panellists further detailed their views on the future challenges and opportunities for the Luxembourg fund industry.
