

The future of the Luxembourg financial centre - unspun

We were delighted to host our first hybrid Annual Regulatory Event at the Banque de Luxembourg. A panel of experts comprised of Partners [Pit Reckinger](#) and [Henri Wagner](#) as well as Pierre Ahlborn (*CEO, Banque de Luxembourg S.A.*), Jerry Grbic (*CEO, ABBL*), Luc Frieden (*former Finance Minister*) and Corinne Lamesch (*Chairwoman, ALFI*) had a lively discussion on the future of Luxembourg as a financial centre. What will it look like, what will it require from banks and what it will mean for Luxembourg.

The panel discussion was followed by an analysis and comments by Claude Marx (*Director General CSSF*).
