

Paris office opening in 2023

We are delighted to announce that Elvinger Hoss Prussen is taking a step further in its international expansion and has decided to open an office in Paris in 2023. This new milestone follows Hong Kong and New York which were successfully launched in 2012 and 2018, respectively. **Xavier Le Sourné**, who was the resident partner in Hong Kong from 2015 to 2022, will head the new Paris office.

"This is a strong signal we want to send to the market - being a Luxembourg and independent law firm, but also a firm with real international dimension", said **Sophie Laquesse**, member of the firm's Management Committee, during the announcement to the members of the firm in September 2022.
